

# Concrete Construction

## CHOOSE A CARRIER THAT'S SOLID AS CONCRETE..

Berkley Aspire knows it's critical to find the right coverage for your client to get them back in business as quickly as possible in the event of a covered loss. We have the underwriting experience and expertise to assist in that effort.

*Contact us today to learn more about our specific class codes.*

### ASPIRE APPETITE

Applies to construction businesses who build foundations for residential and commercial buildings including: concrete cutting, concrete pumping, installation of curbs, erection of concrete walls using forms, and the installation of concrete bases for machinery or equipment. In addition, casting of concrete beams and wall floor panels at the job site is included. Placing of panels cast on the job site is also within the class, as would be the placing of beams and panels cast elsewhere. Concrete construction of sidewalks, walkways, parking lots, and driveways are also entertained.

*\*Appetite does not include post tension foundations.*

Products and services described above are provided through various surplus lines insurance company subsidiaries of W.R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. ZES Insurance Agency, LLC or its designated licensee conducts business in all states including California as a licensed surplus lines broker (License #0H99364).
