## Surplus Lines Made Easy

Products and services described above are provided through various surplus lines insurance company subsidiaries of W. R. Berkley Corporation and offered through licensed surplus lines brokers. Not all products and services may be available in all jurisdictions, and the coverage provided by any insurer is subject to the actual terms and conditions of the policies issued. Surplus lines insurance carriers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. Berkley Connect Insurance Solutions, LLC or its designated licensee conducts business in all states including California as a licensed surplus lines broker (License #OH99364).
